Partnering for Success With Efficient CMPS and MPS Services.

Providing top-notch CMPS and MPS Solutions to Streamline your business processes, enhance operational efficiency, and drive sustainable growth for your organization

About Us Innovating Solutions for a Better Tomorrow

Founded in 2004, Om Invents has been providing innovative IT solutions with a strong focus on customer satisfaction. We formed a key partnership with HP, offering their CMPS and MPS services, which helped us build a strong base of 50+ satisfied customers.

Our team is dedicated to delivering reliable, scalable, and customizable solutions to help businesses grow. With a focus on innovation and excellence, we aim to empower our clients to stay competitive in today's digital world.

Services Can Help You Grow Your Business and Wealth

Top-notch CMPS and MPS solutions to streamline your business processes, enhance operational efficiency, and support sustainable growth. As a strategic partner, we integrate their advanced technology to manage print infrastructure and ensure a seamless transition, improving performance and productivity. Our solutions are tailored to fit various needs for maximum impact.

Print Service

Component Managed Print Services

Solutions

Optimizing Efficiency and Reducing Costs

As a certified HP partner, specializing in HP Managed Print Services (MPS) and Component Managed Print Services (CMPS), by leveraging our expertise with HP, we deliver tailored print solutions that optimize efficiency, reduce costs, and enhance security. Trust us to provide exceptional service and support using HP's trusted technology and expertise.

About Us

Innovating Solutions for a Better Tomorrow

Founded in 2004, Om Invents has been providing innovative IT solutions with a strong focus on customer satisfaction. We formed a key partnership with HP, offering their CMPS and MPS services, which helped us build a strong base of 50+ satisfied customers.

Our team is dedicated to delivering reliable, scalable, and customizable solutions to help businesses grow. With a focus on innovation and excellence, we aim to empower our clients to stay competitive in today's digital world.

Om Invents Provides Valuable Services More About Our Services

Print Services is designed to optimize and manage your printing infrastructure. By leveraging our MPS solutions, you can reduce costs, enhance security, and improve overall efficiency. Our team provides comprehensive management of printers, copiers, and scanners, ensuring your workforce has access to reliable, efficient printing services without the burden of maintenance.

CMPS

CMPS (Component Managed Print Services) offers a flexible, scalable approach to managing your business's print infrastructure. Unlike traditional MPS, CMPS is designed to meet the unique needs of your organization, ensuring that print solutions align with your business objectives. With CMPS, we provide personalized service, integrating with your existing systems while offering full control over print processes.

MEDIA SQUARE

Website

"Step into the world of cutting-edge digital marketing with our comprehensive agency website. Designed to showcase our extensive range of services, this platform highlights our expertise in SEO, social media marketing, content creation, and more.

Clients can explore detailed case studies and client testimonials that demonstrate our success in driving results. With a sleek and intuitive interface, navigating through our service offerings and understanding our approach has never been easier. Discover how our tailored digital marketing strategies can elevate your brand and drive growth. Welcome to your digital marketing partner for success.

The website features a dark-themed design with a prominent orange header bar at the bottom containing navigation links: BTL Advertising, Developer, Digital Marketing, Media Advertising, Outdoor Advertising, BTL Advertising, Developer, Digital Marketing. The main banner on the homepage features a large, metallic planet with a ring, with the text "Authenticity Drives Customer Loyalty". Below the banner, there's a sub-section titled "Transforming brands with Social media" featuring a team of four people working together on a laptop, surrounded by various social media icons. On the right side of the homepage, there's a sidebar with sections for "About Us" and "More About". The "About Us" section includes a bio for "Arunkumar" and a "More About" button. The "More About" section includes a "See All Services" button. The "See All Services" page lists several services: "Print Media" (we create compelling print media solutions that captivate audiences and boost brand recognition), "Film Works" (we create compelling film productions that captivate audiences and bring your vision to life with cinematic excellence), "Commercial AD" (we create impactful commercial advertisements that captivate audiences and elevate your brand), "Film Distribution" (we deliver expertly crafted film distribution strategies that maximize your film's reach and success), and "Tailored Strategies" (we create customized social media strategies that align with your brand's unique goals and values). Each service listing includes a "Read More" button and a small profile icon. The overall design is modern and professional, emphasizing a focus on digital marketing and branding.

MATRIMONIAL WEBSITE LANDING PAGE

This matrimonial website, with its user-friendly interface and advanced features like secure profile registration and personalized matchmaking, ensures privacy and security through robust authentication. The responsive design, powered by Node.js and MongoDB, provides an optimized experience across devices. Success stories and testimonials enhance trust, showcasing my full-stack development expertise in creating an intuitive platform.

The screenshot shows the sign-up page of the Jesus Family Matrimony website. It features a large pink banner at the top with the text "Find your life partner Easy and fast." and an illustration of a couple. Below the banner is a "Sign up" form with fields for Email, Password, and Phone number. A checkbox for accepting terms and conditions is also present. At the bottom of the form, there's a link to "Terms & Conditions and Privacy Policy". The page has a navigation bar with links to Home, Matches, Success stories, Contact, FAQ, Sign in, and Sign up. Social media icons for Instagram, Facebook, and Twitter are located on the right side. A "GET IN TOUCH" section at the bottom includes an address: 951 West Side Avenue, Jersey City, NJ 07306, USA, and contact numbers: +1 (201) 993-6937, +1 (201) 999-2887, and email: info@jesusfamilymatrimony.com. A copyright notice at the very bottom states: Copyright © 2024 JesusFamilyMatrimony.com. All rights reserved.

The screenshot shows the homepage of the Jesus Family Matrimony website. It features a large banner at the top with the text "WELCOME TO JESUS FAMILY MATRIMONY" and an illustration of a group of people at a wedding. Below the banner is a "Welcome to Jesus Family Matrimony" section with a sub-section titled "At Jesus Family Matrimony, our mission is to...". To the right is a large photo of a couple in wedding attire. Below the main banner is a "Message from Pastor Michael Oswin" section featuring a photo of him and his wife. The message discusses the platform's mission and values. At the bottom of the page is a "Key Features" section with the text "Here are some key features of a matrimonial platform:" followed by a list of bullet points. A large purple call-to-action button at the bottom right encourages users to "Discover Your Ideal Match Today" and "Sign up now and embark on the journey toward a meaningful and fulfilling relationship. Your ideal match awaits just a click away!"

The screenshot shows a page titled "Create Profile" which is part of a larger process. It includes a sub-section titled "Enhance your profile by adding detailed information about yourself, family, education, and employment, along with a profile photo and a gallery of additional images. Submit your profile for admin approval. This step is important as it ensures the accuracy of your profile and compliance with our community standards, thereby assuring you of a safe and respectful environment." Below this is a "Explore & Express" section with a sub-section titled "Once your interest is reciprocated by someone, gain access to their complete profile details. This step ensures that both parties are interested and ready to learn more about each other." Further down is an "Arrange Meetups" section with a sub-section titled "After mutual interests are established, engage in deeper conversations and arrange meetups. This step is pivotal as it provides you with an opportunity to share experiences, discuss life goals, and build a meaningful relationship, thereby taking your journey towards finding a compatible partner to the next level." At the bottom of the page is a "GET IN TOUCH" section with the same address and contact information as the other pages, and social media icons for Instagram, Facebook, and Twitter.

MCS Website

The website features a dark header with the company logo, phone number (+91 90036 82836), email (Atlantregroupofcompany@gmail.com), and a navigation menu with links to Home, About Us, Products, Works, and Contact Us.

Breathe Easy, Sleep Peacefully Premium Mosquito Screens by Atlantre

Protect your home with our durable, high-quality mosquito screens that keep pests out while letting fresh air in.

ABOUT US

Welcome to Atlantre Mosquito Screens and **Manufacturing**, your premier destination for high-quality mosquito screens. Established in 2024 located at Chennai, our mission is to provide innovative and reliable solutions to keep your spaces free from insects while ensuring optimal airflow and visibility.

Our Story

At Atlantre, we understand the importance of a comfortable and safe living environment. Founded in 2024, our company was born out of a desire to offer superior mosquito protection solutions that blend seamlessly with modern living. With a focus on quality, durability, and customer satisfaction, we have quickly positioned ourselves as a trusted name in the industry.

What We Do

Mosquito Nets

At Atlantre, we leverage the latest technology to offer a range of high-quality mosquito nets. Our products ensure customer satisfaction with reliable performance and durability at affordable prices. Our mission is to create a comfortable, bug-free environment for our customers.

Our skilled team is dedicated to **Manufacturing** high-quality mosquito nets. We continuously upgrade our technology to

Products
